Welcome to Seacoast Gastroenterology

Understanding the scope of your needs

Seacoast Gastroenterology is dedicated to caring for patients with a variety of disorders of the digestive tract and liver. We specialize in advanced diagnostic and therapeutic procedures to improve the health of our patients.

Established in 1988 in Exeter, New Hampshire, Seacoast Gastroenterology is recognized as one of the largest and most sophisticated gastroenterology practices in New England.

Our four board certified gastroenterologists are acknowledged experts and leaders in the rapidly advancing field of gastroenterology. We take time to listen to our patients with compassion and respect, and believe that making colonoscopy convenient and comfortable is the key to increasing the awareness and utilization of this life saving procedure.
